

### Pre-install considerations

- F5 Egro Next requires a 600 mm deep counter top for machine to sit on.
- Leave at least 200 mm of free space above the machine to allow the hoppers to be filled.
- Ensure there is undercounter space available, as detailed on following pages.
- Power and other requirements may differ by configuration. Consult icons on each setup.

### Icons explained

Look out for the below icons on the following pages that detail install requirements per setup.

Plugs required, and if they need to go above or below counter.

Water fitting type as well as required pressure range.

Waste options and requirements for the setup.

Filters required for the machine (installed undercounter).

# F5 – Egro Next

## Area prep guide
