

# T5 – Zip Classic Plus All-in-one Tap

## Area prep guide

Page 1 of 3  
Date version 29.08.2023

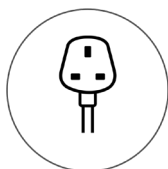

### Pre-install considerations

- T5 Zip Classic Plus All-in-one Tap requires minimal space above the countertop.
- Can be fitted over an existing sink, or as a boiling tap with a conventional mixer.
- Ensure there is undercounter space available, as detailed on following pages.
- Power and other requirements may differ by configuration. Consult icons on each setup.

### Icons explained

Look out for the below icons on the following pages that detail install requirements per setup.

Plugs required, and if they need to go above or below counter.

Water fitting type as well as required pressure range.

Waste options and requirements for the setup.

Filters required for the machine (installed undercounter).
